

620M

Attribute	Value
UPC-12	686720028861
Short Name	620 Bypass Humidifier Manual 18GPD
Packaging Hierarchy Level	Each
Pallet GTIN	70686720028860
Manufacturer	Research Products Corporation
Brand	AprilAire
Status	Active
Series	620 Humidifier Series
Product Category	Humidification>Humidifiers>Evaporative
Sales Region	USA and Canada
Launch Date	2025-08-01
UNSPS Code	40101903-Humidifiers
Master Title - Short	AprilAire 620M Whole-House, Large Bypass Evaporative Humidifier with Manual Control
Master Title - Long	AprilAire 620M Whole-House, Large Bypass Evaporative Humidifier – 18 Gallons Per Day, Water Saving With Manual Control for up to 5,300 Sq. Ft., Compatible with the AprilAire Healthy Air System

Attribute	Value
Master Bullets - Trade	<p>BEST-IN-CLASS PERFORMANCE AND EFFICIENCY* – Recycles water to minimize water usage while maintaining optimal panel saturation for increased output *Vs. leading competitors' UL rated bypass humidifiers of similar size with 6" duct opening SUPERIOR CAPACITY – Delivers 18 gallons per day of humidification and balances humidity quicker than ever 55% LESS WASTEWATER* – Built with superior sustainability in mind. The innovative recirculation valve recycles water to reduce water down the drain and save up to 4,650 gallons of water per year^ *Compared to AprilAire 600 Humidifier ^Vs. previous AprilAire models at rated capacity for 5-month season SIMPLE MAINTENANCE – The one-piece disposable HydroCore™ water panel cartridge quickly pops in and out for fast replacement and is made with recycled plastic. Annual maintenance is now easier than ever. HUMIDITY FOR HEALTH – Achieve balanced humidity in the home which has been shown to reduce the incidence of respiratory infections and symptoms related to allergies and asthma by minimizing the formation of bacteria, viruses, fungi, and dust mites ADJUSTABLE DAMPER POSITIONS – New intermediate damper positions provide a simple solution to optimize air flow for high pressure systems MINIMIZE CALLBACKS – Catch all drain funnels all surfaces to a common drain to help prevent leaks 3 DEGREE LEVEL TOLERANCE – The distribution tray allows installation to be up to 3 degrees out of level REVERSIBLE DESIGN – Reconfigure the bypass module to fit tight installs and optimize performance on any furnace configuration. Easily install with the bypass on the left (standard configuration) or right (reconfigured). MANUAL CONTROL – The included manual control is duct or wall mount compatible, provides a dry-contact closure and conveniently measures changes in humidity. It is the tried and true method of simple humidifier control. PART OF THE APRILAIRE HEALTHY AIR SYSTEM – The 620A Humidifier is a part of your one-stop, all purpose investment toward a greater quality of life. The AprilAire Healthy Air System (additional components sold separately) combines fresh air ventilation, air filtration, humidity control, radon control, zoning and IAQ control, and UVC sanitization to address all aspects of Indoor Air Quality in the home. INSTALL WITH CONFIDENCE – AprilAire Whole-House Humidifiers are designed and assembled in the USA utilizing US and global components by AprilAire, the leader in Indoor Air Quality solutions for the home since 1954, and come with a 5-year warranty</p>

Master Long Description - Trade	<p>The AprilAire 620M Whole-House, Bypass Evaporative Humidifier with HydroCore Technology is an advanced solution designed to deliver optimal humidity control for homes up to 5,300 square feet. With the ability to provide 18 gallons of humidification per day, this unit ensures rapid and balanced humidity, crucial for reducing respiratory infections, allergies, and asthma symptoms by minimizing bacteria, viruses, fungi, and dust mites throughout the entire home. The AprilAire 620M is built with sustainability in mind, featuring a recirculation valve that reduces wastewater by 55% compared to previous models. Its one-piece disposable HydroCore™ cartridge, made with recycled plastic, simplifies annual maintenance. The humidifier includes the tried and true manual control which is duct or wall mount compatible. The reversible design accommodates various installation configurations, while additional features like leak protection, adjustable damper position, and a distribution tray that allows for slight misalignments during installation help minimize service callbacks. Designed and assembled in the USA utilizing US and global components and backed by a 5-year warranty, the AprilAire 620M provides reliable, high-quality humidification, complete with all necessary components for easy setup.</p>
