Master Bullets - Trade	<p>IDEAL RELATIVE HUMIDITY – Achieve balanced humidity in the home which has been shown to reduce the incidence of respiratory infections and symptoms related to allergies and asthma by minimizing the formation of bacteria, viruses, fungi, and dust mites   WI-FI INTEGRATED CONTROL – Control the AprilAire Dehumidifier by connecting it to your customer's phone via the built-in Wi-Fi interface. Bluetooth is available for fast, simple pairing in three minutes or less. The customer will receive alerts, diagnostics, and updates on the unit directly to their phone.   SIMPLE AND QUIET OPERATION – Simply set-it-and-forget-it. Dehumidification occurs until the RH set point is reached, then shuts off until periodic sampling determines a need for operation to resume. Top or end air discharge orientation is available and the 8-foot power cord allows for flexibility in placement.   HEALTHY AIR APP COMPATIBLE – Download the Healthy Air App (App Store or Google Play), pair the device, and connect to Wi-Fi. Your customer can monitor and control their unit from the palm of their hand.   ENERGY EFFICIENT APPLICATION – The E080W Dehumidifier is ENERGY STAR® Most Efficient 2025 and the perfect solution for controlling humidity in the whole home while also protecting against structural damage from moisture, pests, and mold. Installation applications include main return to main return, dedicated return to main supply or A/C return, inlet and outlet ducted to dedicated grilles, and main return to main supply.   R32 REFRIGERANT – AprilAire Dehumidifiers contain R32 refrigerant ensuring a lower Global Warming Potential and the same superior product performance. A data label can be found on the outer pack as well as inner unit identifying the model as having R32.   PART OF THE APRILAIRE HEALTHY AIR SYSTEM – The E080W Dehumidifier is a part of your one-stop, all purpose investment toward a greater quality of life. The AprilAire Healthy Air System (additional components sold separately) combines fresh air ventilation, air filtration, humidity control, radon control, zoning and IAQ control, and UVC sanitization to address all aspects of Indoor Air Quality in the home.   INSTALL WITH CONFIDENCE – Designed and assembled in the USA utilizing US and global components from a leader in residential Indoor Air Quality solutions. Includes 5-year warranty.</p>

Master Long Description - Trade	<p>Achieving the ideal relative humidity (RH) within the home is crucial for fostering a healthy living environment. By maintaining balanced humidity levels, the formation of harmful bacteria, viruses, fungi, and dust mites is significantly minimized, promoting overall well-being. The E080W Dehumidifier offers a simple yet powerful operation method, allowing users to effortlessly set their desired RH level and let the device handle the rest. Once the set point is attained, the unit automatically ceases operation until periodic sampling detects the need for resuming dehumidification. Tailored for the whole home, the E080W removes 80 pints per day, regulates humidity (eliminating variations in the environment), and helps safeguard against structural deterioration caused by moisture, pests, and mold. It features a variety of options for ducted installations including main return to main return, dedicated return to main supply or A/C return, inlet and outlet ducted to dedicated grilles, and main return to main supply. Equipped with an enhanced digital interface, the unit is Wi-Fi enabled. Using Bluetooth, the estimated 3-minute, 4-stage approach allows the unit to send updates, diagnostics, and alerts to the user's phone. Your customer can download the AprilAire Healthy Air App to control their unit directly from the palm of their hand. And the R32 refrigerant ensures a lower Global Warming Potential while maintaining superior product performance, a testament to AprilAire's commitment to sustainability and innovation. Plus, the 1/2-inch EPS cabinet insulation dampens operating sounds to provide a quieter environment. Designed and assembled in the USA utilizing US and global components, this dehumidifier epitomizes quality craftsmanship and reliability with corrosion-resistant aluminum coils and is backed by a generous 5-year warranty, instilling confidence in its installation and operation for years to come.</p>
