

3/4 INCH CLEAN OUT TEE

Item#: 510-3400

3/4 inch PVC Plastic Clean Out Tee. These fittings are designed to meet most residential, industrial and irrigation/agricultural needs. They offer rigidity with resistance to chemicals and corrosion. A smooth interior wall provides free flow and helps prevent scaling. Highly versatile, lightweight and easy to install. Smooth inner walls allow for low pressure drops and resistance to chemicals and corrosion. Case of 50.

Product Features & Benefits

- For use in residential, industrial, irrigation, and agricultural applications
- Schedule 40 PVC for years of reliability
- Smooth interior with no rough spots minimizes build up
