

EACH FURNACE MOUNTING BLOCK CAN SUPPORT 40% MORE WEIGHT THAN COMPETITIVE PRODUCTS – OVER 500 POUNDS! EASY PEEL AND STICK INSTALLATION.

Item#: **FB-1**

The DiversiTech® furnace mounting block FB-1 is a base support for furnaces. The furnace block raises the furnace approximately 2 inches and includes an anti vibration pad to reduce noise and vibration. Each furnace block can support over 500 pounds. Its unique wedge shape and integrated lip around top edge insure quick and accurate placement on each corner of the furnace. Easy peel and stick attachment method, not tools needed.

### Product Features & Benefits

- Each Furnace Block can support up to 500 lbs.
- Includes peel and stick adhesive for attachment to bottom of furnace

- Includes anti-vibration pad to reduce noise and extend equipment life
- Raises equipment approximately 2 inches to provide airflow and prevent damage and rusting caused by ground contact
- Built in lip around top edge for easy installation and equipment stability
