

FLOOD DETECTOR

Item#: **WS-1**

The Asurity® WS-1 Wet Switch® Flood Detector is designed to prevent flooding, damage to carpets, walls, furniture, and ceilings. Turns system off when detecting moisture due to condensate or drain leaks. Includes a built-in test and reset button. One or two drops is all it takes to turn system off, alerting homeowner or service person to potential moisture problems.

Product Features & Benefits

- Turns off equipment with as few as 1-2 drops of water detection
- LED indicators confirm system status
- Connect multiple switches to expand protection area
- Flexible placement options
- Can be connected to multiple pieces of equipment

- This switch is Plenum rated.
- Label for contractor information
