Attribute	Value
Brand	Honeywell Home
Product Taxonomy Node	RMH Root.Dampers.Electronic & Mechanical Dampers
Warranty	5 Years
Pro Product Short Description	<p>&lt;p&gt;&lt;strong&gt;Flexible &amp; Fast Relief For HVAC Zoning&lt;/strong&gt;&lt;/p&gt; &lt;p&gt;Forget the tedious time-suck of balancing weights—TrueZONE® Bypass Dampers speed up installation with a simple, pre-set dial that needs little or no adjustment. They can be installed at any angle and handle the airflow needs of modern multi-zone HVAC systems.&lt;/p&gt;</p>
Pro Product Detail Page Title	CPRD TrueZONE® Bypass Damper
Pro Product Breadcrumb Name	TrueZONE® Bypass Damper
Pro Product Web Overview	<p>&lt;p&gt;Time and frustration—two things that often accompany the tedium of balancing weights on bypass dampers in multi-zone HVAC systems. With Honeywell Home's TrueZONE® Bypass Dampers, you get to skip the hassles of counterbalancing and replace it with a simple, pre-set dial that needs little or no adjustment. Welcome to an easier, more efficient way to deliver HVAC zoning benefits to customers.&lt;/p&gt; &lt;p&gt;The 10 in. TrueZONE® Bypass Damper is a round static pressure relief damper for customers with forced-air zoning systems. It can be installed at any orientation or angle and is equipped to handle the many airflow needs of modern zoning systems.&lt;/p&gt; &lt;ul&gt; &lt;li&gt;For bypass applications up to 1,000 CFM&lt;/li&gt; &lt;li&gt;No weights to balance&lt;/li&gt; &lt;li&gt;Easy flex-duct installation&lt;/li&gt; &lt;li&gt;Simple dial for setting when the system starts to bypass&lt;/li&gt; &lt;li&gt;Can be installed at any orientation or angle&lt;/li&gt; &lt;li&gt;Allows more airflow than typical weighted models, so you can install a smaller size&lt;/li&gt; &lt;li&gt;Provides constant system pressure, regardless of zone changes or blower speed&lt;/li&gt; &lt;li&gt;Calibrated spring tension regulator&lt;/li&gt; &lt;/ul&gt;</p>
LOB	Comfort
Position Indicator Included	Yes
Position Indicator Type	Pressure Setting Indicator Damper Position Indicator
Activation	Mechanical
Range Stop	No
Actuator Power Consumption	Not Applicable

Attribute	Value
Damper Type	Bypass
Actuator Housing Material	Molded Plastic
Blade Material	Galvanized Steel
Damper Material	Galvanized Steel
Actuator Torque	Not Applicable
Works With Resideo App	No
Compatible Third Party App	No
