Attribute	Value
Brand	Resideo
Product Taxonomy Node	RMH Root.Hydronic Components.Magnetic Hydraulic Separator
Warranty	5 Years
Pro Product Short Description	<p><p>Take boiler installation to the next level with our magnetic hydraulic separators – a new addition to Resideo’s comprehensive portfolio of hydronic products. Designed to simplify boiler piping for critical flow management between connected hydraulic circuits, these separators help keep the boiler and heat emitters clean as the dirt and magnetite are gathered in the separator, improving heat transfer with air removal.</p></p>
Pro Product Detail Page Title	Magnetic Hydraulic Separators
Pro Product Breadcrumb Name	Magnetic Hydraulic Separators
Pro Product Web Overview	<p><p>Choose our magnetic hydraulic separators to boost boiler efficiency and protection in new installs or retrofit boiler systems. The options are all yours: Select a flanged or union hydraulic separator valve and choose the union connections — sweat, threaded or press.
