Warranty	5 Years
Pro Product Short Description	<p><p>Always The Perfect Fit</p> <p>The Honeywell Home MultiPRO™ Multipurpose Thermostat from Resideo is an effortless 7-day programmable thermostat that provides multisystem compatibility, precise comfort and ease of programming.</p></p>
Pro Product Detail Page Title	MultiPRO™ 7000 Multipurpose Thermostat
Pro Product Breadcrumb Name	MultiPRO 7000 Multipurpose Thermostat
Pro Product Web Overview	<p><p>This Honeywell Home MultiPRO 7000 Multipurpose Thermostat from Resideo has a range of built-in features that help deliver energy savings while keeping homeowners comfortable. Multiple fan speeds—3 speeds for fan coil, 2 speeds for PTAC and 1 speed for conventional and heat pump—provide comfort for your customers, while the VersaSpeed fan ramp algorithm automatically adjusts the fan to reach the setpoint. The MultiPRO 7000 thermostat can be used as a 7-day programmable or a non-programmable model to meet customer preferences with easy-to-use, menu-driven programming.</p> Large display with backlight shows the current and set temperature and time Menu-driven programming Ergonomic design to match your customers' lifestyle Real-time clock keeps time in power failures and automatically updates to daylight savings Reminder when batteries need to be replaced Holiday Override options allow you to alter the program schedule as desired VersaSpeed fan ramping algorithm and fan reset algorithm (fan coil and PTAC applications) Remote Indoor air sensing option (20K ohm or 10K ohm) </p>
LOB	Comfort
Temperature Accuracy	±0.5 °C ±1 °F
Compatible With	Gas Oil Electric Heat pump PTAC Fan coil
Smart Home Integration	No
Battery Life	1 Year

Attribute	Value
Battery Size	AA
Number of Batteries	2
RedLINK	No
Wi-Fi	No
Z-Wave Specifications	Not Applicable
Z-Wave	No
Display Type	LCD Screen
Clock Type	Year Clock
Thermostat Type	Programmable
Works With Resideo App	No
Compatible Third Party App	No
