

# TH401

Source column: Item Number

Attribute	Value
Brand	Resideo
Product Taxonomy Node	RMH Root.Controls.Thermostats
Warranty	3 Years
Pro Product Short Description	<p>&lt;p&gt;&lt;strong&gt;Reliable, Non-Programmable Temperature Control Stylish and simple to use&lt;/strong&gt;&lt;/p&gt; &lt;p&gt;TH401 thermostats give a modern touch to your home. With maximum loads at 120 and 240 VAC, these compact thermostats feature TRIAC operation that is ideal for small-space electric heat applications.&lt;/p&gt;</p>
Pro Product Detail Page Title	Line Volt Manual TRIAC Electric Heat Thermostat
Pro Product Breadcrumb Name	Line Volt Manual TRIAC Electric Heat Thermostat
Pro Product Web Overview	<p>&lt;p&gt;Unlike mechanical thermostats that operate on long cycles, our TRIAC thermostats can operate on 15-second cycles because they are entirely electronic. As a result, you can provide your customers improved comfort from their electric heating solution with fewer temperature swings, clicking at the thermostat, or crackling at their baseboard heaters. TRIAC thermostats let homeowners control their electric heating solutions with the accuracy and efficiency of a standard HVAC system. Along with this control comes energy savings for your customers. By allowing them to keep a closer watch on their indoor temperatures and adjust settings while they're away, your customers will reduce heat waste.&lt;/p&gt; &lt;ul&gt; &lt;li&gt;Works with baseboard, radiant ceiling, convector, or fan-forced applications&lt;/li&gt; &lt;li&gt;Maximum loads for 120 VAC and 240 VAC&lt;/li&gt; &lt;li&gt;Backlit digital screen&lt;/li&gt; &lt;li&gt;On-screen heating power indicator&lt;/li&gt; &lt;li&gt;Minimum and maximum temperature locks&lt;/li&gt; &lt;li&gt;Battery-free&lt;/li&gt; &lt;/ul&gt;</p>
LOB	Comfort
Temperature Accuracy	0.9 °F 0.5 °C
Compatible With	Electric baseboard heater Radiant floor Radiant ceiling Convector Fan-forced heater
Smart Home Integration	No
RedLINK	No
Z-Wave Specifications	Not Applicable

Attribute	Value
Display Type	LCD Screen
Thermostat Type	Non programmable
Works With Resideo App	No
Pro Works With Resideo App Description	0
Compatible Third Party App	No
Temperature Control Accuracy	0.9 °F 0.5 °C
