

ZDTZ

Source column: Item Number

Attribute	Value
Brand	Honeywell Home
Product Taxonomy Node	RMH Root.Dampers.Electronic & Mechanical Dampers
Warranty	5 Years
Pro Product Short Description	<p>RELIABLE, EASY-TO-INSTALL SOLUTION</p> <p>This easy-to-wire damper includes a 24-volt motor used to control circulating air in HVAC systems. The ZD is a power close and spring open damper used when a normally-open damper is required. It's typically used with TrueZONE[®] and other electronic zoning systems.</p>
Pro Product Detail Page Title	ZD TrueZONE [®] Parallel Blade Damper
Pro Product Breadcrumb Name	Parallel Blade Damper
LOB	Comfort
Compatible With	HVAC systems where a normally-open damper is required
Position Indicator Included	Yes
Position Indicator Type	Damper Position Range Stops LED indication light for open and close
Activation	Electric
Leakage	Less than 1% at 0.5 in WC
Range Stop	Yes
Range Stop Options	4
Actuator Power Consumption	8 VA
Damper Type	Zone
Actuator Housing Material	Molded Plastic
Blade Material	Aluminum
Damper Material	Aluminum
Actuator Torque	71 in-oz
Works With Resideo App	No
Compatible Third Party App	No
